**The Twenty-Fifth Annual
North Carolina Workers' Compensation
Educational Conference • Virtual Conference**

Tuesday - Friday, October 13-16, 2020

Pre-Recorded Presentations Followed by Live Q&A

Sessions Available Online After Initial Presentation Through October 30, 2020

As a result of the COVID-19 pandemic, the North Carolina Workers' Compensation Educational Conference will be held this year as a purely *virtual* event. Although the format is new, the same informative content will be offered, along with continuing education credits and a virtual exhibit hall with displays by service providers.

The initial scheduled presentation of each session (pre-recorded) will be immediately followed by a period of live Q&A with the presenter(s). For the convenience of attendees, sessions will also be available to view on-demand after the initial presentation and continuing through October 30. However, please note that **insurance adjusters qualify for continuing education credits only when participating in sessions at the scheduled time with the live Q&A component**, per the requirements of the North Carolina Department of Insurance.

The goal of this conference is to educate those who participate in the North Carolina workers' compensation system regarding current rules, procedures, policies and forms and to provide an opportunity for dialogue among these participants. The presenters include the Chair and Section Heads of the Industrial Commission, plaintiff's and defense attorneys, physicians, medical and vocational rehabilitation specialists and mediators. Breakout sessions will be utilized to discuss certain topics in greater detail, while other topics will be presented from a more general perspective.

Who Should Attend?

All employers, insurance adjusters, self-insurers, third-party administrators, safety & human resource managers, plaintiff's and defense attorneys, paralegals, health care providers, mediators and medical and vocational rehabilitation providers are encouraged to attend. Anyone interested in the workers' compensation system in North Carolina will receive valuable information at the conference.

Continuing Education Credits

Participants may be eligible for continuing education credits for conference attendance. Application will be made for credits in the following occupations: attorneys (CLE), paralegals (CPE), carriers (CE credit), human resources professionals (SHRM), and rehabilitation providers (CE for CRC, CDMS and CCM). COHNs, CRRNs and any other discipline will be provided, upon request, with a certificate of completion for credit submission.

For adjusters, the conference sessions are grouped into four courses. **Adjusters must complete all sessions in each course, at the scheduled time with the live Q&A component, to receive credits for that course.**

Insurance adjusters also should be aware that the North Carolina Department of Insurance does not award credit to non-resident adjusters with North Carolina licenses unless domiciled in North Carolina as an adjuster. For general information concerning licensing and CE requirements for adjusters in North Carolina, please contact the North Carolina Department of Insurance at (919) 807-6800.

Access to Content

Attendees will receive an email with instructions to sign in and access the sessions and content via the internet prior to the conference. Please be sure to provide an accurate and legible email address when you register to ensure receipt of the instructions. Also, please add IWCF@bellsouth.net to your email software safe sender list as a trusted contact. For registrations received after 2 p.m. (eastern) on October 12, instructions will be emailed on the next business day.
